gaming session is breathtakingly smooth.

Ultimate Gaming Performance

- **Smooth 165Hz Refresh Rate:** Eliminate lag and motion blur, responding instantly to every input for a crucial competitive edge.
- **Quad HD (QHD) Resolution:** Enjoy stunning visuals with four times the pixel density of standard HD, bringing game worlds to life with incredible detail on the expansive 27-inch screen.
- **AMD FreeSync Premium:** Experience tear-free and stutter-free gaming sessions by synchronizing your monitor's refresh rate with your graphics card's frame rate, even during high-action sequences.
- **VA Panel Technology:** Benefit from exceptional contrast ratios and deep blacks, enhanced by wide 178° horizontal and vertical viewing angles.

Curved Display for Maximum Immersion

The Odyssey G5 G55C features a curved display that wraps around your field of view, pulling you deeper into the game. This design reduces eye strain during long gaming marathons while maximizing perceived screen space, making it ideal for simulation, RPGs, and action titles.

Connectivity and Compatibility

Equipped with DisplayPort (DP) and HDMI inputs, this monitor ensures wide compatibility with modern gaming consoles and PCs. The VESA mounting capability allows for easy integration into specialized multi-monitor or ergonomic setups.

Samsung is a globally recognized leader in technology, known for producing high-quality displays, memory solutions, and consumer electronics that push the boundaries of innovation and user experience.
