The Epson EcoTank L3280 redefines the efficiency and quality of home and office printing. This all-in-one printer, scanner, and copier is designed to cater to all your printing needs with its advanced connectivity options, including Wi-Fi Direct and mobile printing capabilities through Apple AirPrint, Epson Connect, and more. Experience high-quality prints with Epson's Micro Piezo Heat-Free technology and a maximum resolution of 5760 x 1440 DPI, ensuring every document and photo stands out with exceptional clarity and color.

Economical without compromising on performance, the L3280's ink tank system significantly reduces the cost per page, making it an ideal solution for frequent printing. The printer supports a wide variety of media types and sizes, from plain paper and envelopes to glossy photo paper, offering the flexibility needed for any project. Its compact design integrates seamlessly into any workspace, while its energy-efficient operation and high-duty cycle ink bottles provide both reliability and sustainability. Choose the Epson EcoTank L3280 for a high-performance, cost-effective printing solution.
