Aprašymas

WELCOME TO LANSCHOOL

Lead with heart.
Guide with LanSchool.
As a pioneer and innovator of classroom management software, LanSchool helps teachers connect with students to create more meaningful online experiences, both in the classroom and remotely.

Backed by Lenovo and building on 30 years as an edtech leader, LanSchool helps guide learning, increase collaboration and maximize teaching time. We've also partnered with best-in-class safety solutions because we believe student safety should be a given.

ABOUT LANSCHOOL

Increase classroom engagement. Ignite student potential.
LanSchool's classroom orchestration software puts technology to work for both students and educators. Our suite of solutions enables engaging one-on-one learning experiences and powerful collaboration in connected classrooms.

ABOUT SAFETY

Give students a safer digital learning environment with LanSchool and Bark.
Student safety is every educator's top priority. It's why we've partnered with Bark, a classroom safety solution, to offer their powerful monitoring

tools at no extra cost to schools. Bark detects signs of digital dangers like cyberbullying, threats of violence, suicidal ideation, and more. Schools that register with LanSchool will also get Image Quarantine, an AI-driven feature that blocks explicit images from student computers, as part of their free offering.

PURCHASING

Solutions for every classroom. And every budget.
Our goal: to ensure you get the most out of your classroom technology. With LanSchool's simple, streamlined pricing model, we can accommodate your school or district's specific needs with ease.
