Victory takes on a definitive shape with the Razer DeathAdder V3 Pro. Refined and meticulously reforged with the input of top esports professionals, this iconic ergonomic mouse is built to push the limits of competitive play. Weighing only 63 grams, the V3 Pro is more than 25% lighter than its predecessor, ensuring rapid, fatigue-free movement crucial for extended gaming sessions.

Unmatched Precision and Hyperspeed Performance

Equipped with cutting-edge internal components, the DeathAdder V3 Pro delivers flawless tracking and responsiveness, making every movement count.

- **Focus Pro 30K Optical Sensor:** Experience industry-leading accuracy with 30000 DPI resolution, offering unparalleled sensitivity and precision for quick reflexes.
- **Extreme Tracking Speed:** Achieve speeds up to 750 inches per second (IPS) and 70 G maximum acceleration, ensuring that even the fastest flicks are registered perfectly.
- **Razer Hyperspeed Wireless:** Benefit from ultra-low latency wireless connectivity via Bluetooth or the included USB dongle, providing performance indistinguishable from wired gaming.

Durable Design and Ergonomics

The ergonomic, right-handed design of the DeathAdder V3 Pro is optimized for comfort and control. Its lightweight frame minimizes strain while maximizing maneuverability.

- **Ultra-Lightweight (63g):** Designed for speed and control, this mouse allows for effortless, precise handling during intense competitive moments.
- **Razer 3rd-Gen Optical Mouse Switches:** Offering zero double-clicking issues and lightning-fast actuation, these switches are rated for exceptional durability, handling up to 90 million clicks.
- **5 Programmable Buttons:** Customize your gameplay experience by assigning complex macros and functions to the accessible buttons.
- **Enhanced Mobility:** Features Razer Speedflex Cable for low-drag wired use (charging) and polytetrafluoroethylene (PTFE) feet for smooth, effortless gliding across any surface.
- **On-Board Memory Profile:** Save your custom settings directly onto the mouse for plug-and-play performance wherever you compete.
