Equipped with a 6.88-inch LCD screen boasting a resolution of 1640 x 720 pixels, the Redmi A5 delivers clear and vibrant visuals. Whether you are reading articles or watching your favorite content, the large screen real estate ensures a comfortable viewing experience.

Efficient Daily Performance

Under the hood, the device is powered by the Unisoc T7250 octa-core processor, paired with 3 GB of RAM. This combination provides the necessary power for multitasking and running essential applications smoothly. With 64 GB of internal storage, expandable via MicroSD, you have plenty of room for your photos, apps, and files.

Capture Every Moment

The Redmi A5 features a powerful 32 MP main camera that allows you to take sharp and detailed photographs in various lighting conditions. For video calls and selfies, the 8 MP secondary camera ensures you always look your best. The device runs on the latest Android 15 operating system, offering modern features and enhanced security.

Reliable Battery Life

Stay powered throughout the day with the massive 5200 mAh battery. Whether you are working or playing, this high-capacity accumulator minimizes the need for frequent charging, keeping you mobile for longer.

Features:

- Large 6.88-inch LCD display with 1640 x 720 resolution.
- Efficient Unisoc T7250 octa-core processor for smooth operation.
- 32 MP main camera and 8 MP selfie camera for quality photography.
- Long-lasting 5200 mAh battery capacity.
- Latest Android 15 operating system installed.
- Dual SIM capability and 4G connectivity.
- Expandable storage with MicroSD support.

Xiaomi is a global leader in innovative technology, committed to making high-quality smartphones accessible to everyone through cutting-edge design and powerful hardware.
