Capture your favorite moments with the 32 MP main camera, providing clear and vibrant photos. For selfies and video calls, the 8 MP front camera delivers sharp results. With 64 GB of internal storage and a dedicated MicroSD slot, you will have plenty of space for your apps, photos, and files. The 3 GB of RAM works in tandem with the processor to provide reliable multitasking for everyday applications.

Powerful Battery and Connectivity

Never worry about running out of power thanks to the massive 5200 mAh battery, designed to keep you connected throughout the day. This Dual SIM smartphone supports 4G connectivity, Wi-Fi, and Bluetooth, ensuring you stay in touch wherever you go. The elegant Sandy Gold finish adds a touch of sophistication to this practical and powerful device.

Features:

- 6.88-inch LCD display for a cinematic viewing experience.
- 32 MP main camera and 8 MP selfie camera.
- 64 GB internal storage with MicroSD expansion support.
- Long-lasting 5200 mAh battery for extended use.
- Latest Android 15 operating system for modern features and security.
- Dual SIM capability for managing two numbers simultaneously.

XIAOMI is a global leader in consumer electronics and smart manufacturing, renowned for creating high-quality technology that is accessible to everyone. Their Redmi series continues to set benchmarks for value and performance in the smartphone industry.
