ROG Chariot X Core delivers ergonomic comfort from top to bottom. With the adjustable, high-density foam headrest and removable memory-foam lumbar support, a perfect fit and feel are assured.

Adjustable Headrest

The adjustable high-density foam headrest slides easily up and down for perfect positioning – a first for a dedicated gaming chair.

Memory-Foam Lumbar Support

The placement of the generously-padded, memory-foam lumbar support can be quickly removed if you prefer to press right back into your Chariot Core.

4D Adjustable Armrests

With effortless control you can infinitely adjust the height, depth, horizontal position and angle of either armrest, so it's easy to set the perfect support for you.

Tilt, Rock or Lock

Unhitch the lock and Chariot will tilt and rock in tune with your body, keeping you comfortably cradled as your immersion increases.

Raise, Drop or Recline

It takes just a moment to alter your sitting position from upright to up to 155° reclined and vice versa, so you can go from relaxed to alert in the blink of an eye. You can also lift or drop the height to match your frame – so find your perfect position and lock it in!

Hang Out, Game On

The ROG Chariot X Core is available in a range of colors, including black, grey, and white. It features convenient fabric straps adorned with the signature ROG cybertext pattern and includes woven loops to suspend your favorite gaming kit. There's also a quick-release, hook-and-fastener loop, providing the perfect place to store a backpack, headset, or other lightweight gaming gear.

Made Strong. Engineered for Safety.

To keep you safe, ROG Chariot X Core employs only high-quality components. The five-star base is manufactured from aluminum alloy for stable support, while the Class 4 gas lift is a top-rated
