Color Modes for Multitasking

With Coding Mode and ePaper Mode, you have even more options for different work scenarios enabling effortless readability and eye comfort.

Low Blue Light Plus Technology

This technology maintains vivid colors while filtering out shorter, higher energy blue-violet radiation that is harmful to the eyes.

Flicker-Free Technology

The exclusive BenQ Flicker-Free Technology eliminates flickering at all brightness levels to reduce eye strain, fatigue, and headaches.

Color Weakness Mode

The red and green filters on the monitor help individuals with color deficiency distinguish colors more easily.

ePaper Mode

The simulated e-book effect, featuring a clear black and white reading layout, provides a better reading experience.
