Graphics Card ASRock Arc A380 Challenger ITX 6GB GDDR6

The ASRock Arc A380 Challenger ITX 6GB is a compact powerhouse designed for small form factor builds and mainstream gaming. Built on the Intel Arc architecture, this graphics card delivers efficient performance and modern features like hardware-accelerated AV1 encoding and DirectX 12 Ultimate support. Its single-fan ITX design makes it an ideal choice for HTPCs or space-constrained gaming rigs without compromising on build quality or thermal efficiency.

Features:

- 6GB GDDR6 memory for smooth 1080p gaming performance.
- Compact ITX design, perfect for small chassis and space-saving builds.
- Next-generation AV1 hardware encoding for high-quality streaming and content creation.
