keep you ahead of security threats.

Three lenses. One powerful camera.

Holding Galaxy A37 5G in your hand, you can take awesome shots. With a 50 MP Wide-angle Camera, an 8 MP Ultra Wide Camera and a 5 MP Macro Camera on the back, Galaxy A37 5G allows you to shoot bright and crisp photos and videos to share on your feed. The Front Camera supports Super HDR video, making every memory vivid and lifelike.

Still clear. Even in low-light

Optimised Nightography on Galaxy A37 5G lets you capture bright moments in low-light conditions. The Wide Camera with 1.0 um pixels supports enhanced ISP for vibrant videos with sharper details, even in the dark.

Vivid shots. Sharp selfies

Capture stunning moments from your daily adventures with Galaxy A37 5G's Front Camera. Super HDR video support for selfies lets you shoot dynamic media with vibrant details, sharp and vivid backgrounds, and enhanced colour and contrast.

Make your portraits shine

Use Galaxy A37 5G to enhance photo details quickly and easily. The rear camera system automatically recognizes the background, foreground and sky in portrait photos, and automatically boosts the image quality in the skin, face, hair, grass and more.

2 days of battery on a single charge

Keep going with the long-lasting 5,000 mAh (typical) battery of Galaxy A37 5G. Enjoy your content, social media or games without needing to recharge your phone for 2 days at a time. And when you need a power boost, plug in for Super Fast Charging 2.0 and get up to 60% charge in just 30 minutes.

Performance with more power, less lag

Galaxy A37 5G is engineered with an advanced Octa-core processor, delivering powerful performance throughout your day. Play, create and edit content smoothly with reliability and confidence thanks to improved CPU and GPU performance up to 12% and 19% compared to the previous model. The upgraded LPDDR5X memory gives a boost to your multitasking, while the vapor

chamber prevents your phone from heating up—so you can stay cool even in the heat of action-packed gaming.

### Storage for everyday moments

Galaxy A37 5G Enterprise Edition comes with 128GB of storage and 6GB of memory.

### One UI 8.5. Your Galaxy. Your way

The new One UI 8.5 is capable of doing much more — from taking care of tedious tasks to suggesting what I need at the exact moment to adapting to my personal tastes and usage patterns. With AI integrated deeper into the system, you now have the freedom to be more productive and creative. Experience seamless intelligence of your Galaxy that empowers you to see more, create more and understand more.

### Quick Share. Transfer files instantly

Exchange files effortlessly between devices using Quick Share on Galaxy A37 5G. Share what you need to a device within or outside of Galaxy, including iOS and PCs. When sharing photos, your phone uses enhanced recommendations to recognise people in the photo and automatically recommend whom to share with.

### Switch devices, keep your data

Switch to your new Galaxy phone easily from an old phone or tablet, even from iOS. Thanks to Smart Switch on Galaxy A37 5G, you can transfer your photos, videos, contacts and apps in a few simple steps, so you don't lose anything.

### Object Eraser. Instant edits, natural results

Easily remove unwanted objects from images and get natural results instantly with Object Eraser on Galaxy A37 5G. The smart AI feature lets you erase background clutter and fill in the space while maintaining clean, polished images. The algorithm automatically improves textures and reduces blur in the area around the removed objects, so you can get satisfying results anytime.

### Edit suggestion. Remaster on the fly

Enjoy fast, enhanced photo editing with Edit suggestion on Galaxy A37 5G. This intelligent feature analyses the media on your device and recommends improvements for your images. Enhance the resolution, remove shadows and reflections, add background blur or remaster GIFs with a few simple
