The perfect video conferencing solution! The UA0378 has a 100° wide-angle lens ensuring that everyone is seen in Full HD resolution. It also features a high-quality dual microphone that captures the voices of all people. It has been specially optimized for crystal clear conversations in the room, making the sound cleaner and more articulate. The 6-layer coated lens provides precision and no image distortion; smooth and detailed for consistent definition and fluid video. Even if you are in a dark area, the low light correction function adjusts your lighting to create bright images.
