Seamless Connectivity and Design

Setting up the P1671HSC-B1 is quick and effortless. The included USB-C cable handles both the display signal and power directly from your laptop, eliminating cable clutter and the need for external power adapters. The sleek design is complemented by a versatile leather cover, which not only protects the screen during transport but also functions as a stable stand, offering flexible viewing angles (45° or 60°).

Key Features for Productivity:

- **Portable Full HD Clarity:** 15.6-inch IPS panel with 1920 x 1080 resolution ensures broad viewing angles (178° H/V) and sharp image quality.
- **Ultra-Lightweight Build:** Weighing only 0.7 kg, this monitor is engineered for mobility without compromising screen size.
- **USB-C Single Cable Solution:** Simplifies connectivity, delivering display signal and power via one USB-C port.
- **Integrated Audio:** Built-in speakers provide clear audio for video calls, presentations, and media playback, removing the necessity for carrying extra devices.
- **Eye Comfort Technology:** Flicker-free technology and blue light reduction minimize eye strain, ensuring comfort during long working sessions.
- **Quick Response Time:** A rapid 3 ms response time ensures smooth movement and minimal ghosting.
