Unlock unparalleled gaming prowess and visual excellence with the GIGABYTE GeForce RTX 5060 Ti WINDFORCE MAX OC 8G. Engineered specifically for gamers seeking dominant performance, this graphics card utilizes the cutting-edge NVIDIA architecture paired with ultra-fast GDDR7 memory, delivering stunning visuals and seamless, high-refresh-rate gameplay.

Leverage the power of NVIDIA DLSS 4, which uses AI rendering to boost frame rates significantly while maintaining exceptional image quality. Combined with a factory-overclocked core clock speed of 2587 MHz, the RTX 5060 Ti ensures you conquer every virtual battlefield with confidence and precision.

Superior Cooling and Performance Features:

- **WINDFORCE MAX Cooling System:** Equipped with an active cooling system featuring 2 high-efficiency fans, the card ensures optimal thermal dissipation, allowing for sustained high performance even during intense gaming sessions.
- **Next-Generation Memory:** Features 8 GB of ultra-fast GDDR7 memory operating on a 128-bit bus, providing massive bandwidth (28000 MHz effective memory clock) required for modern textures and high resolutions.
- **PCI Express 5.0 Interface:** Utilizing the high-speed PCI-E 5.0 interface, the card ensures maximum data throughput between the GPU and the motherboard, eliminating bottlenecks.
- **Ultra-High Resolution Support:** Supports maximum digital resolution up to 7680 x 4320 pixels, perfect for advanced 4K and even 8K displays.
- **Connectivity:** Offers versatile display options with 3 x DisplayPort (DP) and 1 x HDMI output.
- **API Support:** Full compatibility with DirectX 12.0 and OpenGL 4.6 for wide software and game support.

GIGABYTE is a globally recognized leader in the PC hardware industry, known for manufacturing high-quality, high-performance components, including motherboards, laptops, and premium graphics cards designed for enthusiasts and professional gamers.

Order today from ++SHOP++ as we offer the best competitive pricing and reliable delivery for top-tier gaming hardware.

Unlock unparalleled gaming prowess with GIGABYTE's NVIDIA graphics cards. Engineered for peak
