# 252.99€

The Lenovo ThinkPad Smart Dock 7500 Gen 2 provides connectivity solutions for modern workspaces. With comprehensive interface support including Thunderbolt 4, USB 3.2 Gen 2, and 2.5G Gigabit Ethernet, this docking station offers flexibility for connecting multiple devices and displays. The maximum resolution of 8K at a refresh rate of 60 Hz ensures clear visuals, making it ideal for high-definition content and professional applications. Designed for a range of environmental conditions, the Smart Dock operates between 0°C and 40°C, providing reliable performance in various settings. Security is enhanced with a Kensington NanoSaver and MicroSaver security slot, safeguarding the investment in technology while offering a compliance mark with multiple standards ensuring quality.
