Prekės kodas: 465750

272.99€

Carlinkit CPC200-Tbox UHD Wireless CarPlay/Android Adapter (with USB-A port)

The Carlinkit CPC200-Tbox UHD wireless adapter is a practical device that allows you to seamlessly use CarPlay and Android Auto in your car. Equipped with the advanced Android 13 system and a powerful Qualcomm SDM660 processor, it ensures smooth operation and quick response to commands. It also allows you to conveniently install selected apps and supports video and audio transmission via the HDMI port.

Easy installation and versatile ports

The adapter is very easy to install—thanks to the Plug&Play; system, simply plug it into your car. Equipped with a variety of ports, such as USB-C, USB, an SD card slot, and HDMI, it allows you to connect multiple devices and accessories. This lets you enjoy high-quality audio and video in your car.

Compatibility and security

The Carlinkit CPC200-Tbox UHD is compatible with a wide range of smartphones—from iPhone 6 and newer (iOS 10.0 and up) to phones running Android 11.0 and newer. With support for Wi-Fi and Bluetooth 5.0, you can also transfer data wirelessly and use apps. The adapter is made of durable ABS material, ensuring its longevity and resistance to damage.

Features and benefits

The adapter allows you to use CarPlay and Android Auto without changing your driving habits. The built-in Android 13.0 system allows you to download and install apps directly from the Google Play Store, and thanks to adaptive resolution, the image is always optimally adjusted to the screen. Carlinkit also supports the global positioning systems GPS, GLONASS, and BeiDou, ensuring precise navigation.
