GIGABYTE GS27FA 27-inch Full HD Gaming Monitor

Step up your game with the GIGABYTE GS27FA, engineered to deliver speed and clarity without compromising color quality. This 27-inch Full HD (1920 x 1080) gaming display combines core performance features essential for competitive players and immersive visual experiences.

Designed for fluid motion, the GS27FA features an ultra-fast 180Hz refresh rate and a rapid 1ms response time, ensuring every frame is rendered smoothly and minimizing motion blur. Whether you are navigating fast-paced FPS action or enjoying cinematic visuals, this monitor keeps pace with your reflexes.

Key Features for Competitive Gaming:

- **Ultra-High Refresh Rate:** Enjoy a seamlessly fluid gaming experience thanks to the 180Hz refresh rate, providing a distinct advantage in fast-moving games.
- **Lightning-Fast Response Time:** The 1ms response time eliminates ghosting and smearing, ensuring crystal-clear visuals during intense action sequences.
- **AMD FreeSync Support:** Synchronizes the monitor's refresh rate with your GPU's frame rate to eliminate screen tearing and stuttering, guaranteeing smooth gameplay.
- **Vibrant Visuals:** With 105% sRGB color coverage and 300 cd/m² brightness, colors are rich and vibrant, enhancing immersion while maintaining visual detail even in bright areas (HDR Ready).
- **Wide Viewing Angles:** The display technology (178°/178° viewing angles) ensures consistent image quality and color accuracy, regardless of your viewing position.

Connectivity and Ergonomics:

Connectivity is streamlined with HDMI 2.0 support, allowing high bandwidth transmission needed for 180Hz FHD resolution. The standard VESA mounting capability provides flexibility for setting up your perfect battle station.

GIGABYTE is a globally recognized leader in the computing industry, known for producing high-performance components and peripherals, including innovative monitors tailored for demanding PC enthusiasts and gamers.
