Unrivaled Speed and Clarity

The Odyssey G70F offers exceptional flexibility for serious gamers. Experience smooth, high-resolution gameplay at a formidable 180Hz refresh rate when utilizing the native 4K UHD resolution. For moments demanding absolute maximum speed in competitive titles, switch to Full HD mode and unleash an incredible 360Hz refresh rate, providing a massive advantage in reaction time and fluidity. The premium IPS panel ensures vibrant color accuracy and wide 178° viewing angles, making visuals consistent from any perspective.

- **Dual Refresh Rate Performance:** Achieve 180Hz at 4K UHD resolution or massive 360Hz in Full HD mode.
- **Ultra-Fast Response:** 1ms response time eliminates ghosting and motion artifacts, crucial for competitive play.
- **Immersive 4K Ultra HD:** Enjoy breathtaking visual fidelity with 3840 x 2160 resolution.
- **IPS Panel Technology:** Delivers superior color reproduction and wide, accurate viewing angles (178°/178°).

Enhanced Connectivity and Comfort

Designed for long gaming sessions, the G70F includes crucial features for comfort and setup flexibility. The monitor features height adjustment and is VESA mounting compatible, allowing you to perfectly tailor the setup to your ergonomic needs. Connectivity is streamlined with a built-in USB 3.2 Gen 1 hub, simplifying peripheral connections directly through the display.

- Integrated USB Hub 3.2 Gen 1 for easy peripheral connection.
- Ergonomic design with height adjustment capability.
- Standard VESA mounting support for customized setups.
- Sleek, modern black design suitable for any gaming station.

Samsung is a globally recognized leader in technology, renowned for pushing the boundaries of display innovation, delivering cutting-edge performance and reliability across their acclaimed Odyssey gaming monitor series.
