824.99€

Apple iPhone 15 256GB: Innovation in Black

Experience the perfect blend of power, aesthetics, and functionality with the Apple iPhone 15. Featuring a sophisticated Black finish and generous 256GB storage, this device delivers a seamless and powerful mobile experience. The iPhone 15 introduces revolutionary upgrades, making complex tasks effortless and daily interactions more engaging.

Pioneering Performance with A16 Bionic

At the core of the iPhone 15 lies the formidable A16 Bionic chip. Originally introduced in the Pro models, this processor ensures lightning-fast performance, handling intensive gaming, advanced photography computations, and demanding professional applications with exceptional energy efficiency. Coupled with a stunning Super Retina XDR display, your content looks vibrant and immersive.

Photography Redefined: 48MP Main Camera

Capture breathtaking details like never before with the advanced dual-camera system, centered around a powerful 48MP Main camera. This massive sensor captures significantly more light, resulting in brilliant photos even in challenging conditions. The camera system utilizes computational photography to enable super high-resolution images and stunning 2x telephoto quality, perfect for portraits and close-ups.

The Magic of Dynamic Island

- **Dynamic Island:** Interact with notifications, music, and activities in a smooth, intuitive way. The fluid interface adapts in real-time to show alerts and Live Activities.
- **USB-C Connectivity:** Enjoy increased versatility and standardization with the integrated USB-C port for charging, data transfer, and accessories.
- **All-Day Battery Life:** Optimized hardware and software ensure you stay connected and productive from morning until night.
- **Durable Design:** Constructed with color-infused glass and an aerospace-grade aluminum enclosure, protected by the tough Ceramic Shield front cover.

Key Specifications:

- Storage Capacity: 256GB
- Processor: A16 Bionic Chip
- Camera System: 48MP Main and Ultra Wide
- Interface: Dynamic Island and Super Retina XDR display
- Port: USB-C
