Dell Pro Max 16 Plus (MB16250)

The Dell Pro Max 16 Plus is a high-performance mobile workstation built for professionals who require strong compute power, advanced graphics, and long-term reliability. In a compact 16" chassis, it combines workstation-class performance with portability, making it ideal for engineering, AI-assisted workflows, content creation, and data-intensive professional applications.

Powered by Intel® Core® Ultra HX processors and NVIDIA RTX PRO Blackwell graphics, the system is ISV-certified to ensure stability and compatibility with leading professional software. Advanced thermal engineering with a triple-fan design and stacked CPU/GPU layout enables sustained performance under continuous heavy workloads.

A bright 16" FHD+ display with 120 Hz VRR and full DCI-P3 color coverage delivers excellent visual clarity, while the backlit Copilot keyboard with numeric keypad improves productivity. Enterprise-grade security features, fast charging, and next-generation connectivity including Thunderbolt 5 make the Pro Max 16 Plus a dependable long-term work platform.
