Dell Pro 14 Essential (PV14250)

Dell Pro 14 Essential is a business laptop designed to deliver reliable performance, lightweight design, and essential security and manageability features. It provides everything small and medium-sized businesses and organizations need for daily work – from office applications to hybrid work. Intel® Core™ processors, fast DDR5 memory, and SSD storage ensure a stable experience anywhere.

The Essential series is built to simplify IT. With Microsoft Autopilot and Dell Management Portal, device deployment is quick and easy, while MIL-STD-810H tested durability ensures reliability in demanding conditions. Responsible design is reflected in EPEAT Silver and ENERGY STAR® certifications as well as packaging made from recycled materials.

User experience is enhanced with a bright 14" FHD+ display, backlit keyboard with Copilot key, and a long-lasting battery. Security features such as TPM 2.0, fingerprint reader, and lock slot make it a trusted companion for mobile work.
