Short summary:

Dell Pro Compact Silent Keyboard and Mouse KM555-BLK-INT

The Dell Pro Compact Silent Keyboard and Mouse is a quiet wireless keyboard and mouse combo designed for distraction-free productivity in the office, at home, and in shared workspaces. Dual-mode wireless connectivity allows you to connect via either a 2.4 GHz USB receiver or Bluetooth 5.1, while Smart Connect automatically detects your preferred connection method.

The compact keyboard delivers silent typing, 18 programmable shortcut keys, a dedicated Copilot key, and full-size arrow keys for efficient everyday use. The mouse complements the keyboard with silent clicks and scrolling, a programmable scroll wheel, and adjustable DPI settings of up to 4020 DPI for precise control.

Dell Display and Peripheral Manager software enables you to customize shortcut keys, mouse functions, and DPI settings, update firmware, and manage device connections. With up to 36 months of battery life, 128-bit AES encryption, and a 3-Year Dell Advanced Exchange Service, this keyboard and mouse combo is an excellent choice for business users.
