Unmatched Gaming Performance and Sync Technology

The Legion 25-10 is built for serious competitive play, combining extreme speed with advanced adaptive sync features:

- **Hyper-Fast Refresh Rate:** Achieve peak performance with a blazing 320 Hz maximum refresh rate, virtually eliminating motion blur and providing ultra-smooth visuals.
- **Instantaneous Response:** Benefit from an ultra-low 0.5 ms Moving Picture Response Time (MPRT), ensuring crystal clear image quality even during the most frantic sequences. The standard 6 ms response time is perfect for everyday use.
- **Seamless Synchronization:** Certified NVIDIA G-SYNC Compatible and featuring AMD FreeSync Premium technology, this monitor synchronizes the display refresh rate with your GPU, eliminating screen tearing and stuttering for fluid gameplay on compatible systems.
- **Vibrant Visuals:** The IPS panel provides wide 178° viewing angles and 99% sRGB coverage, delivering accurate colors and consistent image quality.

Advanced Display Features and Ergonomics

Designed for comfort during long gaming sessions, the Legion 25-10 combines robust adjustability with essential eye protection features.

- **High Dynamic Range (HDR10):** Supports HDR10 technology, enhancing contrast (3,000,000:1 dynamic) and color depth for more immersive visual experiences. The typical brightness is 300 cd/m².
- **Eye Safety Certified:** Protect your vision with Eyesafe Certified 2.0 and TÜV Rheinland Low Blue Light (Hardware Solution), reducing eye strain without compromising color accuracy.
- **Full Ergonomic Control:** The included Eclipse Black stand allows for extensive adjustment: Height adjustment (up to 13.5 cm), Pivot (90°), Swivel (±30°), and Tilt (-5° to 22°), allowing you to find the perfect viewing angle. VESA 100x100 mm mounting is also supported.
- **Connectivity Hub:** Equipped with two high-speed HDMI 2.1 ports and one DisplayPort 1.4, ensuring excellent compatibility with the latest gaming consoles and PCs. Audio output is available via the 3.5 mm jack.

Lenovo is a global technology leader known for innovation and reliability across computing and display solutions. The Legion line specifically focuses on delivering high-performance gear designed

for the demanding requirements of competitive gamers.

Order the revolutionary Lenovo Legion 25-10 today from ++SHOP++ and elevate your gaming experience with unmatched speed and clarity.
