Pagrindinės savybės

- ✓ Google TV featuring over 10,000 apps and personalized recommendations
- ✓ 31.5-inch UHD (3840 x 2160) IPS HDR display with 98% DCI-P3 wide color gamut
- ✓ Two 5-watt front speakers, certified by Harman Kardon
- ✓ Extensive connectivity: USB-C (90 W PD), HDMI, DisplayPort, USB hub
- ✓ Wireless display support by Miracast and Chromecast
- ✓ Supports multi-platform live streaming

Aprašymas

The Smartest Choice

Level up your desktop setup with ZenScreen Smart MS32UC — a 31.5-inch monitor that's ideal for more than work. View images or play games on its stunning 4K HDR panel. With 400,000+ movies and TV episodes available across 10,000+ apps, Google TV™ takes streaming and live TV to the next level — bringing together your favorite entertainment from across your apps and organizing it all, just for you. And if you're a streamer, go live on all your favorite sites with ZenScreen Smart MS32UC's multi-platform streaming app. Work hard, play harder, all on one sleek screen.

*Some apps and/or content may not be available in all countries.

Work, Play, Watch, Create. One Screen for All

Hear More.

Feel Everything. Harman Kardon.

ZenScreen Smart series monitor boasts dual front-facing 5-watt speakers certified by Harman Kardon. Experience exceptional acoustics with outstanding clarity and richness that elevate movies and games.

Powered by The #1 Streaming Platform**The most extensive app library**

From apps to live TV, music, shows, and everything in between – Google TV covers it all.

Personalized entertainment

Enjoy multiple user accounts and personalized recommendations. Create profiles for each family member and get personalized suggestions.

Just ask Google Assistant

Use voice control to search apps, live TV and YouTube — all hands-free.

Create watchlists

Never miss episodes of your favorite shows, thanks to the watchlist* feature.

The entertainment you love. With a little help from Google and AI-enabled features.

No more jumping from app to app. Google TV brings together movies, shows and more from all of your subscriptions. Need inspiration? Get curated recommendations, use Google's powerful search to find shows across 10,000+ apps. Use your voice to find shows, play music, control smart home devices, and more. And with personalized profiles, everyone's experience is customized for them.

The center of your smart home

Make your Google TV the center of your smart home. Control lights, temperature, and more from the new home panel, get doorbell notifications and full-screen views of your cameras and use your voice to control it all—just ask Google Assistant.

Every detail, brought to life

Experience stunning visuals with breathtaking levels of detail. 4K UHD resolution and 99% sRGB gamut ensure vibrant colors that bring pictures, videos, and movies to life. HDR support delivers deeper blacks and brighter whites, revealing hidden details in every scene.

Easy to Get All You Need Here!

Switch between work and play with one click

Simplified source control on ZenScreen Smart series monitor lets you switch between these configurations with ease.

Work without bounds

Enjoy more flexible workflows without a PC.

Your Productivity & Entertainment Center

Effortless multitasking

Multi-Control

Boost your multitasking process by controlling multiple devices with just a single mouse and keyboard*. Experience a streamlined workflow with a unified control station for ZenScreen Smart series monitor, your phone, and laptop!

Multi-View

Split the screen into two sections to simultaneously view and interact with content from different sources*. Control these directly from the ZenScreen Smart series monitor for versatile multitasking.

From your device to the big screen

ZenScreen Smart series monitor offers seamless connections to multiple devices, including PCs and smartphones through Miracast or Chromecast.

Go Live on All Your Favorite Platforms

The integrated Multi-Platform Live Streaming app on ZenScreen Smart series monitor lets you broadcast to several online streaming sites simultaneously.

Connect with convenience: Multiple Ports

ZenScreen Smart MS32UC is the perfect entertainment hub, boasting built-in Google TV with extensive wired and wireless connectivity options including USB Type-C® with 90-watt Power Delivery, HDMI™, DisplayPort™, and two USB hubs to connect to laptops, smartphones, and tablets.

Sustaining an Incredible Future

Eco-friendly design

ZenScreen Smart MS32UC is made via an exclusive insert-molding process to keep its weight down and to create a thin profile while also cutting down on materials used. What's more, the monitor is shipped in sustainable FSC® Mix-certified packaging. This lightweight, eco-friendly, paper-based packaging is designed to keep overall volume as low as possible for more efficient shipping.
