Aprašymas

Introducing the championship series of slim wallmounts. Well designed, versatile and powerful. Multibrackets new Super Slim wallmounts has all the craftsmanship and innovation found with Multibrackets built in. Potent weight handling, a clean and simple installation and striking style with an ultra slim result.

At only 18mm the M VESA Wallmount Super Slim Fixed 400 MAX our Multibrackets designers takes the super-slim TV mounts to a new level. With close to no gap wall distance turns your TV into a picture on the wall. The innovative fine tuning design allows for easy post-installation positioning. The tool less tilting mechanism will greatly reduce eye and neck pain and annoying sun glare for perfect viewing experience. Also, the magnetic design in the bracket and the strap end also add a modern look to your house.

Several steps ahead. The M VESA Wallmount Super Slim Fixed 400 MAX series offers versatile installation features and mounting options. Horizontal and vertical adjustment abilities allow for post installation leveling and lateral shifting (move the screen from side to side after it is in place) making it easier than ever to find the perfect TV position. Lock the tilt angle at installation to prevent tampering or moving. The slim wall plate design offers good wall access, increasing the electrical and cable management options. The wall mount was made to be installed by a single person with simple brackets that hook onto the wall plate for an overall quick, simple, and secure installation.
