end cap!

Value-added software

A complimentary download from Transcend's official website, Transcend Elite data management software is compatible with both Windows OS and macOS. Transcend Elite features backup and restore, data encryption, and cloud backup functions, helping you keep important files organized, protected, and up-to-date!

Transcend also offers RecoverX, a complimentary data recovery utility that allows you to search deep within a storage device for traces of erased files including digital photos, documents, music, and videos.
