Free up space to take more photos

Out of space on your USB Type-C smartphone? Simply plug in the SanDisk Ultra® Dual Drive Luxe USB Flash Drive and easily move files off your device, freeing up valuable space. With all that extra space you can do more travel photos, movies, music, games and whatever else you want.

Automatic backup is just a plug-in away

Automatically back up your latest photos, videos, music, documents and contacts with the SanDisk Memory zone app. Rest assured that even if you ever lose your smartphone, you've got the memories that matter most.

Quickly move files to your computer

Say goodbye to emailing photos between devices. Once files are on your SanDisk Ultra® Dual Drive Luxe, the high-end USB 3.1 Gen 1 performance with 150MB/s read speeds let you quickly move your files to your computer.

Swivel design to protect connectors

Toss it in your bag or pocket. The SanDisk Ultra® Dual Drive Luxe features a stylish metal housing with swivel design built to protect the drives connectors when you are on the move.

Grab and go with the keyring hole

Attach your drive to your keyring to keep it convenient and secure. Now you'll always have it handy if you need to free up space when you're out and about.
