Elevate your viewing experience with superior motion clarity. The 27B3HA2 model is engineered for performance, providing a smooth 100Hz refresh rate that minimizes judder and motion blur. Combined with a blazing fast 1ms MPRT (Moving Picture Response Time), this monitor ensures fast-paced scenes and scrolling text remain sharp and exhilarating.

- **100Hz Refresh Rate:** Provides noticeably smoother visuals compared to standard 60Hz screens, ideal for everyday use and light gaming.
- **1ms MPRT:** Ultra-fast response time drastically reduces ghosting, keeping action sharp and precise.
- **Adaptive Sync Support:** Synchronizes the display's refresh rate with your GPU's frame rate to eliminate screen tearing and stuttering, ensuring fluid gameplay and video playback.

Sleek Design and Eye Comfort Features

The AOC 27B3HA2 boasts a modern, sleek design with ultra-narrow borders on three sides, including a minimal 9.5mm chin. This maximizes screen real estate and makes multi-monitor setups seamless. Additionally, the monitor prioritizes user well-being during extended use:

- **Built-in Speakers:** Enjoy rich sound quality with integrated 2W speakers, fulfilling basic audio needs without the clutter of external equipment.
- **Low Blue Light Technology:** Reduces harmful blue light emissions, helping your eyes stay fresh and comfortable even during long work sessions.
- **Versatile Connectivity:** Includes essential ports such as HDMI 1.4 and D-SUB (VGA) for connecting to various devices.
- **VESA Compatibility:** Easily mount the monitor to a wall or ergonomic stand using the VESA standard mounting holes.

AOC (Admiral Overseas Corporation) is a globally recognized manufacturer specializing in display technology, known for producing high-quality monitors for consumers and professionals alike. Their products combine performance, design, and reliable features.

inch FHD IPS Monitor. Elevate your viewing experience to new heights as every detail comes alive on the expansive screen, making your content truly immersive. Experience smooth 100Hz refresh rate, ensuring each frame is a visual delight. No more lag or motion blur – just pure and clear for eye pleasure. The 1ms MPRT takes your working experience to the next level, making fast-paced scenes sharper and more exhilarating. 27B3HA2 isn't just about visuals; it's a feast for your ears too. Enjoy rich sound with built-in 2W speakers, turning every movie night or watching multimedia session into action which can fulfil basic audio needs without the need for additional audio equipment. Sleek and stylish narrow borders provide you with more screen real estate, featuring a 9.5mm ultra-narrow chin that is almost half as thin as standard monitors that provides chin between 15 to 17mm. Lastly, the low blue light feature ensures your eyes stay fresh during extended use. This is a statement piece for your setup.
