

CARD READER FLAT SMARTCARD/ID/USB- C 1.3M CRE- SM3TC AXAGON

Modelis: CRE-SM3TC

Gamintojas: AXAGON

EAN: 8595247908841

Prekės kodas: 48495

13.99€

Compact desktop Smart card / ID card reader AXAGON CRE-SM3TC FlatReader with USB 480 Mbps interface. It is especially suitable as an ID card reader for use with mobile phones and computers that have a USB-C input. The reversible USB-C connector simplifies use by eliminating the need to orient the connector correctly when plugging into your phone or laptop.

The Plug & Play function allows immediately operational without the need to install drivers. For further use with the inserted card, just install the appropriate application. The reader is compatible with most national applications for eID (electronic ID cards).

The card reader supports all common contact Smart card formats, cards for identification systems and other chip cards, including contact bank payment cards or contact electronic ID cards *.
