The UV320 features a sliding USB connector, which smoothly extends from the drive at the push of a thumb. The capless design eliminates the hassle of lost drive caps. It comes with a high speed USB 3.1 interface and provides diverse capacities ranging from 16GB to 128GB, enabling you to share faster and store more. Available in two color combinations – black/blue and white/green to express your personal style.

Quick-slide capless design

The USB connector is concealed in the compact body, fully protected without the need for a drive cap. A simple thumb swipe forward makes it ready to use, and the reverse motion stows the connector for storage or travel.
