conferencing, making it an excellent value laptop for small businesses.

Features:

- **Enhanced Usability:** Features a 16:10 display for more vertical screen space, a 180° hinge, a large touchpad, a numeric keypad, and keys with 1.55mm travel distance.
- **Guaranteed Performance:** Equipped with an Intel Core i3-100U CPU and 16GB DDR5 memory for efficient performance. Acer Dust Defender minimizes dust accumulation for consistent operation.
- **Robust Security:** Includes discrete TPM 2.0 and a fingerprint reader for secure login. The added privacy shutter protects your webcam from unauthorized access.
- **Optimized Video Conferencing:** The FHD webcam with HDR and TNR ensures you look your best in any lighting. Dual microphones with Acer PurifiedVoice's AI noise reduction and upward-facing speakers with DTS® Audio enhance video calls.
- **Seamless Connectivity:** Features Wi-Fi 6E for fast wireless connections and a variety of ports, including a Type-C Thunderbolt 4 port supporting 40Gbps data transfer and dual 4K displays.
- **Sustainable Design:** This EPEAT registered laptop uses PCR plastic, an OceanGlass™ touchpad made from ocean-bound plastics, 100% recycled packaging materials, and is MIL-STD-810H certified for durability.

Acer is a well-known brand committed to quality and innovation, creating reliable and eco-friendly products.

Order today from ++SHOP++ as we offer the best...

The durable and sustainably designed TravelMate P2 features improved performance, business-grade security, and a highly refined user experience for work and video conferencing that makes it one of the best value laptops for small businesses.

A New Level of Usability

Get work done with ease thanks to the 16:10 display that offers more vertical screen real estate. This small business laptop also features a 180° hinge, large touch pad, numeric keypad2, and keys with a 1.55mm travel distance for better usability.

Guaranteed Performance

With Intel vPro®¹ and up to a 13th Gen Intel® Core™ i7 CPU¹, NVIDIA® GeForce RTX™ 2050 GPU¹, and up to 64GB¹ DDR4 memory, this laptop offers all the performance needed to keep up with your work. It also comes with Acer Dust Defender that minimizes dust accumulation in the device for consistent performance.

Strong on Security

Secure your data and work without worry. This secured-core PC features discrete TPM 2.0, fingerprint reader¹ and IR camera¹ for secure login. The added privacy shutter reduces the risk of unauthorized access of your webcam.

Optimized Video Conferencing

The FHD¹ webcam with HDR and TNR functions help you look your best in any lighting environment. Video calls are a breeze with dual microphones optimized with Acer PurifiedVoice's AI-powered noise-reduction and upward facing speakers with DTS® Audio.

Staying Connected

Stay connected no matter where you are with Wi-Fi 6E¹ and 4G LTE¹ connectivity. Connect all your peripherals with this laptop's wide variety of ports including a Type C Thunderbolt 4 port supporting 40Gbps data transfer and dual 4K displays.

Designed for Sustainability

This EPEAT registered⁴ small business laptop uses PCR plastic, an OceanGlass™ touchpad made from ocean-bound plastics, 100% recycled packaging materials, and select configurations in some countries come TCO Certified³. This laptop's lifespan is further increased with MIL-STD-810H durability and reinforced IO ports.
