

HPE IMC Ent SW Plat w/50-node E-LTU

Modelis: JG748AAE

Gamintojas: HEWLETT PACKARD ENTERPRISE

Prekės kodas: 49431

9,786.00€

H3C Intelligent Management Center (IMC) delivers next-generation, integrated and modular network management capabilities that efficiently meet the end-to-end management needs of advanced, heterogeneous enterprise networks. Designed on a service-oriented architecture that effectively integrates traditionally disparate management tools, IMC can be deployed across multiple servers to provide complete management of resources, services and users. Highly available, self-contained and scalable, IMC supports the management of 3Com H3C and third-party devices.
