Aprašymas

The Five-slot ShareCradle provides high density & flexibility and accommodates either 5x TC70s or 4x TC70s, plus 4x spare batteries off of one power supply via the 4-Slot Battery Charger Adapter Cup (sold separately). The Five-slot ShareCradle can be racked/mounted in a standard 19 in. rack system via the mounting accessory. This ShareCradle can charge the TC70 with the hand strap stylus, or snap-on accessories attached — including the magnetic stripe reader and trigger handle — making device charging easier than ever.

(Note: Requires Power Supply PWR-BGA12V108W0WW, country-specific AC line cord and DC Line Cord CBL-DC-382A1-01, all sold separately).
