Aprašymas

Carry with confidence and style

Wrap your tablet in a sleek case that's as stylish as it is convenient. Galaxy Tab S8 / S7 Book Cover folds around and clings magnetically, so you can easily gear up as you're headed out the door. You can also make sure S Pen stays on hand and charged up by placing it into the cut-out on the back.

So long, microbes

Infused with an antimicrobial coating, the Book Cover blocks microbial growth to help protect against 99% of bacteria. So you can worry less about germs while you're working and playing.

Find your best angle

Stand your screen up on one of your cover's two angles for easy viewing. Whether you're lounging on the couch or sitting at a cafe, simply adjust the screen to watch all your favorite content with added comfort.
