Equipped with 8GB of ultra-fast GDDR7 memory, the RTX 5060 Ti provides significant bandwidth crucial for high-resolution textures and intensive multitasking. The 'OC Plus' designation means this card arrives factory-overclocked, delivering enhanced speed and responsiveness right out of the box compared to standard models.

Ventus 2X Cooling System

The acclaimed MSI Ventus 2X thermal design is engineered for balance, keeping the powerful core cool without generating excessive noise. This dual-fan configuration utilizes specialized fan blades and an optimized heatsink array to efficiently dissipate heat, ensuring peak performance is maintained even during extended gaming sessions.

Key Specifications:

- GPU: NVIDIA GeForce RTX 5060 Ti
- Video Memory: 8192 MB (8 GB) GDDR7
- Model: Ventus 2X OC Plus (Factory Overclocked)
- Ideal for 1440p gaming and creative productivity
- Supports advanced features like Ray Tracing and DLSS

MSI (Micro-Star International) is a global leader in high-performance computing hardware, renowned for producing cutting-edge gaming laptops, motherboards, and graphics cards that deliver reliability and extreme speed to enthusiasts worldwide.
