Pagrindinės savybės

- ✓ For handheld game consoles such as the Steam Deck™, ROG Ally™, and Nintendo Switch®. Nintendo Switch 2™ and iPad mini® with USB-C® version.
- ✓ Featuring an HDMI™ 2.0 port for 4K60 output, USB-C® PD 3.0 for up to 100W.
- ✓ Two High-speed USB™ 5Gbps ports for connecting versatile devices.
- ✓ The cable's detachable design allows you to adjust its angle, making it compatible with various game consoles. It's the perfect companion for on-the-go gaming.

Aprašymas

"Unleash the full potential of your favorite handheld consoles with our ultra-compact mini docking station. Designed for gamers on-the-go, this powerhouse accessory is your all-in-one solution for the Steam Deck™, ROG Ally™, Nintendo Switch®, Nintendo Switch 2™, iPad mini®, and more! Experience seamless connectivity and fast data transfer with the integrated HDMI™ 2.0 port, delivering crisp 4K60 output. Never miss a beat with lightning-fast charging via the USB-C® PD 3.0 port, providing up to 100W of power delivery to keep your gaming sessions uninterrupted. Connect all your peripherals with ease thanks to the two high-speed USB™ 3.2 Gen1 ports for rapid data transfer and additional USB™ Type-A ports for versatile device support. And for the ultimate competitive edge, enjoy rock-solid, lag-free online gaming with the built-in Gigabit RJ45 Ethernet port.

Compact, powerful, and ready for anything, this mini docking station is the essential upgrade for every handheld gamer. Elevate your play, anywhere, anytime!"
