provides the ultimate seating experience. This specialized ST version enhances the classic HERO features, offering an optimized shape and superior materials built for maximum durability and sustained performance.

Engineered for larger users and those who prioritize maximum surface area, the HERO ST features an enlarged backrest and seat base, ensuring comprehensive body support from shoulders to thighs. The highly durable, premium synthetic leather covering and the robust steel frame construction solidify this chair as a long-term investment in comfort and posture health.

### **Key Features of the HERO ST Black Edition:**

- **Integrated Lumbar Support:** Features an internally adjustable lumbar mechanism, eliminating the need for external cushions and providing precise lower back support.
- **4D Adjustable Armrests:** Precision armrests offering vertical, horizontal, lateral, and pivot adjustments, allowing perfect customization for desk and play style.
- **High-Quality Materials:** Covered in premium, extremely durable synthetic leather (PU) that is breathable and easy to clean, maintaining its appearance over time.
- **Deformation-Resistant Padding:** Uses dense, deformation-resistant cold foam upholstery providing superior stability and shape retention even after years of use.
- **Robust Construction:** Supported by a solid steel frame and a strong aluminum base for maximum stability and weight capacity.
- **Adjustable Recline:** Features a versatile rocking mechanism and the ability to fully recline the backrest for relaxation between intense activities.

**NOBLECHAIRS** is internationally renowned for producing premium seating solutions that blend luxurious comfort, sophisticated design inspired by luxury sports car interiors, and advanced ergonomic features specifically tailored for gaming and professional use.
