Ultimate Speed and Visual Clarity

The G70D utilizes a high-quality IPS panel, guaranteeing vibrant colors and wide 178° viewing angles, ensuring consistency even when viewing off-center. Crucially for competitive players, the monitor boasts an incredibly low 1ms (GTG) response time, virtually eliminating motion blur and ghosting, keeping your focus sharp during intense firefights.

- **4K Ultra HD Resolution:** Crisp 3840 x 2160 visuals for breathtaking detail in games and media.
- **144Hz Refresh Rate:** Delivers ultra-smooth motion handling, critical for competitive gaming.
- **1ms GTG Response Time:** Near-instant pixel response minimizing input lag and blurring.
- **Vibrant IPS Panel:** Superior color reproduction and broad 178° horizontal and vertical viewing angles.
- **16:9 Aspect Ratio:** Standard widescreen format optimized for modern gaming and video content.

Enhanced Comfort and Seamless Connectivity

The Odyssey G70D is engineered not just for performance, but also for user convenience. Featuring integrated stereo speakers, you can jump into the action without needing external audio equipment. The built-in USB 3.2 Gen 1 hub allows you to easily connect peripherals, decluttering your setup. Furthermore, the monitor supports VESA mounting and includes height adjustment capabilities, ensuring you find the perfect ergonomic position for extended gaming sessions.

- **Built-in Speaker(s):** Integrated audio for convenience and clear sound output.
- **Integrated USB Hub:** Simplify connectivity with the built-in USB 3.2 Gen 1 hub.
- **Ergonomic Adjustability:** Customize height for optimal viewing comfort.
- **VESA Compatibility:** Allows for flexible mounting solutions.
- **Sleek Black Design:** Modern aesthetic complementing any gaming battlestation.
