virtually eliminated, ensuring fluid, crystal-clear visuals even in the fastest action sequences.

Unrivaled Visual Quality and Speed

The MPG 322URX meets stringent industry standards for visual fidelity. VESA ClearMR 13000 certification guarantees minimal motion blur, while DisplayHDR True Black 400 ensures deep, rich blacks and vibrant highlights, making every scene exceptionally vivid and realistic. MSI's advanced OLED Care 2.0 technology is integrated to actively protect the panel, mitigating the risks of burn-in and ensuring the longevity of your investment.

Next-Generation Connectivity for PC and Console

This monitor is built to handle the most demanding current and future hardware. PC gamers benefit from the high-bandwidth DisplayPort 2.1a (80Gbps), supporting superior data transfer rates. Console enthusiasts (PS5/Xbox Series X) will appreciate the dual HDMI 2.1 ports, which offer 48Gbps bandwidth, supporting 4K resolution at 120Hz, Variable Refresh Rate (VRR), and Auto Low Latency Mode (ALLM). This comprehensive connectivity ensures zero performance loss regardless of your gaming platform.

Key Features for Elite Gaming:

- Display: 31.5-inch 4K UHD (3840 x 2160) QD-OLED panel.
- Ultra-Fast Performance: 240Hz refresh rate and 0.03ms (GtG) response time.
- Color Fidelity: Certified DisplayHDR True Black 400 and 1.07 billion colors.
- Motion Clarity: VESA ClearMR 13000 certified for superior motion handling.
- Panel Protection: Advanced OLED Care 2.0 technology to prevent burn-in.
- Connectivity: Includes high-speed DisplayPort 2.1a (80Gbps) and two HDMI 2.1 (48Gbps) ports.
- Ergonomics: Built-in USB hub, VESA mounting support, and height adjustment.

MSI (Micro-Star International) is a globally recognized leader in gaming hardware, renowned for engineering high-performance components, laptops, and monitors designed specifically for competitive and immersive gaming experiences. Their commitment to cutting-edge technology ensures gamers receive the speed and reliability they need to dominate the battlefield.
