Aprašymas

Compact design with big impact

With its sleek form and compact size, Galaxy Z Flip7 FE is designed to be pleasingly pocketable. Unfold it to experience the full-size screen with all the features and functionality of a premium smartphone, combining convenience with versatility in a single design.

Flip within everyone's reach

Our one-of-a-kind smartphone, now ready for everyone to make their own. Galaxy Z Flip7 FE takes the unique Flip design and combines it with the high-performing features of our premium smartphones — fitting a pro-grade camera, expansive displays and long-lasting battery right in your pocket.

50 MP camera for selfies

Capture richer, more detailed selfies with minimal effort, direct from the cover screen. The high-resolution 50 MP camera, boosted by our ProVisual Engine, delivers clear, rich images with true-to-life details, such as accurate skin tones and textures.

Flex your best angles

Galaxy Z Flip7 FE's camera can automatically detect low light with Nightography, cleaning up noise and increasing sharpness for clear shots even in the shadows. Tap the Dual Preview button and the cover screen lets your subject offer creative input.

Now Bar. Lock into the now

Now Bar, available right from the cover screen, gives you direct access to music that's playing, live notifications and more.

Personalised briefings with Now Brief

Receive a personalised rundown of your day from Now Brief right from the cover screen. Tailored insights, such as the latest weather and Energy Score, are all available at just a glance.

Incredible views, inside and out

The 4000 mAh battery is optimised by the powerful processor for more hours of entertainment on the main screen. Measuring at 6.7" with a max brightness of 2600 nits, this immersive display stays detailed and clear, any time of day.

Your privacy, secured in the era of AI

Our Personal Data Engine gathers and processes your personal data safely. Then it encrypts that data and saves it onto your device with Knox Vault, making it harder for anyone else to gain access.

Flex your style with all-new One UI

Make the most of your FlexWindow with improved wallpaper customisation and new widgets that can be arranged in a multi-widget view. One UI 8 lets you create a truly personalised cover screen that suits the way you use your phone.

Connected living starts with Galaxy

Connect your Galaxy Z Flip7 FE with Galaxy Watch8, Buds3 Pro and other Samsung Galaxy devices for a seamless, smarter living experience.
