tablet combines robust power with a remarkably sleek profile. Encased in durable, modern Grey aluminium, the Tab S10+ is built for mobility and style.

Exceptional Visual and Audio Experience

Dive into cinematic quality on the expansive 31.5 cm (12.4") display featuring Dynamic AMOLED 2X technology. With a crystal-clear resolution of 2800 x 1752 pixels, every image, video, and detail comes to life with vibrant colours and deep contrast, making it perfect for both critical work and immersive entertainment.

Unmatched Performance and Storage

- **High-Speed Processing:** Equipped with a powerful 8-core MediaTek processor, boasting a boost frequency up to 3.4 GHz, the Tab S10+ handles intense multitasking and demanding applications with ease.
- **Massive Memory:** Featuring 12 GB of internal memory (RAM), switching between apps is instantaneous and smooth, ensuring seamless workflow efficiency.
- **Generous Storage:** Store all your essential files, media, and applications on the ample 256 GB internal storage capacity. Need more space? Expand your storage up to 1.5 TB using a compatible MicroSD (TransFlash) card through the integrated card reader.
- **Modern Platform:** Runs on the highly intuitive and secure Android 14 platform.

Built Tough and Ready for Action

Despite its incredibly thin 5.6 mm profile, the Galaxy Tab S10+ doesn't compromise on durability. It features an International Protection (IP) code of IP68, offering superior resistance against dust and water ingress, ensuring peace of mind whether you are working indoors or out. Powering all this functionality is a long-lasting 10090 mAh battery.

Capture and Connect

Document your world with the versatile dual rear camera setup (13 MP main and 8 MP secondary) and ensure sharp, clear video calls and selfies with the high-resolution 12 MP front camera.
