Say goodbye to cable clutter. The integrated USB-C dock connector allows you to use a single cable to handle video transmission, data transfer, and power delivery to charge and power your compatible notebook directly from the monitor. This feature greatly simplifies desk setup and improves overall efficiency.

Key Features for Modern Workspaces:

- **Integrated LAN (RJ45):** When the monitor is connected to the network via a LAN cable, your notebook automatically gains network access through the USB-C connection, ensuring stable, fast internet access without extra adapters.
- **High Performance Panel:** Enjoy smooth visuals with a fast 1ms response time and a 100Hz refresh rate, minimizing ghosting and providing a more fluid user experience compared to standard 60Hz monitors.
- **Dual Monitor Capability:** Easily extend your desktop using the built-in DisplayPort output, enabling seamless daisy-chaining for a productive dual-monitor setup.
- **Full Ergonomics:** The included stand offers 150mm height adjustment, swivel, and pivot functions, allowing you to customize the screen position to achieve optimal comfort and ergonomic alignment.
- **Aesthetic Design:** Presented in a sleek white finish, this monitor provides a clean, professional look suitable for any modern office environment.

Iiyama is a trusted manufacturer renowned for producing high-quality, durable, and reliable monitors suitable for corporate, professional, and home use. Their ProLite series focuses on delivering excellent performance and ergonomic features.

Order today from ++SHOP++ as we offer the best deals and fast shipping on professional display solutions.

Equipped with a USB-C dock connector, the XUB2797HSN allows you to simplify your workspace by using a single cable to both send signal from your notebook to your monitor and power and charge the notebook from the monitor. Additionally, if your monitor is connected to the Internet with a LAN cable, your notebook will automatically be connected to the network as well. Thanks to a DisplayPort output you can easily extend your desktop by creating a double-monitor set-up. Supplied with a 150mm height-adjustable stand featuring pivot and swivel functions, the XUB2797HSN allows you to
