The Philips Brilliance P-line 499P9H monitor offers the ultimate desktop experience, combining the screen real estate of two high-performance 27-inch Quad HD monitors into a single, seamless 49-inch curved display. With its massive 5120 x 1440 Dual Quad HD resolution and 32:9 aspect ratio, this SuperWide VA panel is designed to significantly boost your multitasking capabilities, eliminating the need for multiple monitor setups and unsightly bezels. The 1800R curvature enhances immersion and reduces eye strain.

Seamless USB-C Docking and Connectivity

Maximize your efficiency with the integrated USB-C docking station. A single USB-C cable handles power delivery up to 90 Watts, high-resolution video transmission, and lightning-fast data transfer. This single-cable solution drastically reduces cable clutter and simplifies connectivity for modern laptops, making your workspace clean and professional.

- **Powerful USB-C Docking:** Provides up to 90W Power Delivery (PD) to charge your connected devices while transferring data and video simultaneously.
- **Integrated Network Connectivity:** Built-in Gigabit Ethernet (RJ45) connection provides secure, high-speed networking directly through the monitor.
- **Multi-Input Support:** Equipped with 2x HDMI, DisplayPort, and USB-C inputs, along with an integrated USB 3.1 hub for connecting peripherals.
- **KVM Switch Functionality:** Control two separate PCs with one monitor, keyboard, and mouse setup, perfect for professionals working across different systems.

Exceptional Visual Performance and Security

Experience stunning visuals powered by a high-performance VA panel and VESA DisplayHDR 400 certification. This monitor delivers rich blacks, an excellent 3000:1 static contrast ratio, and vibrant colour accuracy, covering 121% of the sRGB gamut. The expansive curved screen is ideal for complex spreadsheets, detailed graphic design, and video editing, offering sharp details and vivid colours.

- **SuperWide Resolution:** Dual Quad HD 5120 x 1440 resolution at 60 Hz (32:9 ratio) offers unparalleled viewing space for professional workflows.
- **DisplayHDR 400 Certified:** Enhances realism with superior peak brightness (450 cd/m²) and deeper contrasts.

- **Fast Response Time:** 5 ms Grey-to-Grey response time ensures smooth, clear motion blur reduction.
- **Windows Hello Security:** The convenient pop-up 1080p webcam features advanced facial recognition technology for quick, secure biometric login and privacy when not in use.

Ergonomics and Professional Design

The monitor is designed for maximum comfort and adaptability, meeting TCO Certified Edge Displays and TCO Certified Displays 9 standards. Easily adjust the height, swivel, and tilt to find your perfect viewing angle, ensuring reduced fatigue during long work sessions. The textured black finish and robust stand complete the professional aesthetic.

MMD-MONITORS & DISPLAYS is the exclusive brand partner for Philips monitors, known globally for innovation in display technology, focusing on performance, sustainability, and user-centric design.

Order today from ++SHOP++ as we offer the best shipping options and competitive prices for high-end professional displays.

Excellent curved SuperWide display is like two full-size high-performance monitors in-one. Productivity enhancing features like USB-C and pop-up webcam with Windows Hello deliver performance and convenience you expect.
