## Pagrindinės savybės

- ✓ Built-in specialist labelling functions and 476 electrical symbols
- ✓ Advanced cutter for easy-to-peel labels
- ✓ Print labels from a PC, smartphone or tablet via USB and Bluetooth connectivity
- ✓ QWERTY style keyboard and graphic display to preview labels before printing
- ✓ Prints 3.5, 6, 9, 12, 18 and 24mm labels
- ✓ Includes 4 pro tape cassettes, 1 x TZe-S251, 1x TZe-S241, 1 x TZe-S651 AND 1X tZe-fx231, rechargeable Li-Ion battery, USB (TYPE C) cable and carry case

## Aprašymas

Clear identification and safety are critical for any electrical installation. Equipped with a large graphic display and dedicated functions for the most common labelling tasks, including consumer units, distribution boards, conduits, sockets, switchgear and cable identification, the PT-E560BT is your ideal partner for producing long-lasting, durable labels on-demand. Save time on site with the integrated Bluetooth which offers the flexibility to connect to a PC, smartphone or tablet and print labels using Brother's Pro Label Tool App and P-touch Editor software. With a range of ready-made industry templates that meet all the latest wiring regulations, you can be sure to achieve a professional and compliant finish. Compatible with Pro Tapes - Brother's specialist range of fit-for-purpose tapes that offer resistance to water, chemicals, abrasion and extreme temperatures - so your safety warnings, guidance notices and identification labels will stick around wherever you apply them.

## Techninė specifikacija

| Printing                       |                                                                                      |
|--------------------------------|--------------------------------------------------------------------------------------|
| Print technology               | Thermal transfer                                                                     |
| Colour                         | No                                                                                   |
| Maximum resolution             | 180 x 180 DPI                                                                        |
| Print speed                    | 30 mm/sec                                                                            |
