

sE Electronics sE7 - studio condenser microphone

Modelis: 819032011539

Gamintojas: SE ELECTRONICS

EAN: 819032011539

Prekės kodas: 541498

99.99€

Certification: IEC 61938 | Packaging content: Mic clip (with thread adapter) | Connectivity technology: Wired | Number of products included: 1 pc(s) | Microphone frequency: 20 - 20000 Hz | Voice coil type: Condenser | Operating voltage: 48 V | Type: Studio microphone | Height: 120 mm | Product colour: Black | Equivalent noise level: 16 dB | Microphone input impedance: 200 Ω | Microphone Signal-to-Noise Ratio (SNR): 78 dB | Device interface: XLR-3 | Power consumption: 3 mA | Microphone dynamic range: 140 dB | Microphone sensitivity: -34.5 dB | Microphone weight: 128 g | Windscreen included: Yes | Recommended load impedance: 1000 Ω | Microphone direction type: Cardioid | Diameter: 2.3 cm | Sensitivity (1kHz): 19 mV/Pa | Product colour: Red | Low-cut filter: 80 Hz | Attenuation pad: 20 dB
