HD (3840 x 2160 pixels) resolution with an incredibly smooth 160Hz refresh rate. The integration of high-quality LCD technology ensures vibrant colors and wide viewing angles, making every frame visually spectacular.

Unmatched Speed and Clarity

Performance is paramount, and the MPG 274URFDE QD delivers. With a lightning-fast response time of just 0.5 ms, motion blur and ghosting are virtually eliminated, providing crystal-clear images even during the most intense action sequences. Combined with Adaptive Sync technology, screen tearing and stuttering are minimized, ensuring fluid, uninterrupted gameplay across all compatible systems.

Key Gaming and Connectivity Features:

- **Display Size & Resolution:** Large 68.6 cm (27") screen with razor-sharp 4K Ultra HD (3840 x 2160) resolution.
- **Ultra-Smooth Refresh Rate:** 160Hz refresh rate for incredibly fluid motion and reduced input lag.
- **Rapid Response Time:** Ultra-low 0.5 ms response time ensuring pristine clarity in fast-paced games.
- **Adaptive Sync Support:** Synchronizes the monitor's refresh rate with your GPU for tear-free gaming sessions.
- **Integrated Audio & USB:** Includes built-in speaker(s) and a convenient USB hub (version 2.0) for connecting peripherals directly.
- **Ergonomics:** Features VESA mounting support and height adjustment for optimal viewing comfort and customized setup.

The sleek, black design complements any modern gaming setup, while advanced features like the built-in USB hub simplify cable management and connectivity. Whether you are navigating complex strategies or engaged in rapid-fire combat, the MSI MPG 274URFDE QD provides the clarity, speed, and responsiveness required to dominate the leaderboards.

MSI (Micro-Star International) is a world-leading brand specializing in gaming hardware, known for producing high-performance motherboards, graphics cards, and monitors that push the boundaries of computing technology.
