Winning Mouse Pad in Extra-Long Design

With its extremely large design, comfortable cloth surface and RGB LED illuminated edges, the Trust GXT 764 Glide-Flex XXL RGB Mouse Pad combines all the features for you to start a winning streak.

XXL Design For Ultimate Freedom

Don't let anything get between you and your win. This XXL mouse pad guarantees maximum freedom of movement, so you can undertake whatever action needed to achieve that win. Enjoy almost a meter's width – big enough to house your keyboard and engage in mouse action, with the non-slip rubber base keeping the mouse pad in place during even the most intense battles.

Illuminate Every Victory

Put on a show both in-game and in real life. With the RGB LED lights, your actions are amplified by a dynamic lightshow along the pad's edges. You can select your favourite setting without installing any software. Opt for one of the seven solid colours, go for breathing RGB, make it more

energising with jumping RGB or get in the flow with the RGB rainbow pattern.

Super Accurate Tracking

Control your mouse’s every movement. With its optimised surface texture, the Trust GXT 764 Glide-Flex XXL RGB Mouse Pad is a reliable base for any mouse. Slide across the pad with speed and precision, regardless of which sensor or sensitivity setting you’re using. Coming in a flexible design, you can conveniently roll it up and take the pad anywhere that gaming takes you.
