Aprašymas

Yavi

Bluetooth ENC earphones

Comfortable wireless Bluetooth® earphones with noise-cancelling microphones

Sustainable sounds

What's better than enjoying your favourite music on the go? Enjoying it with the peace of mind of knowing that the Yavi Wireless Earphones are made with 35% recycled plastics. We think it makes the music sound even better too!

Bye bye background noise

Whether you're out for a run, on the train, or chilling at home, get rid of any pesky background noise thanks to these earphones' dual ENC environmental noise-cancelling microphones. Let your friends, family & colleagues hear more of you and less of what's going on around you.

Touch on the go

Play, pause, skip and pick up calls on the go at the touch of a button with the Yavi's convenient touch controls. Simply tap on the side of your earbud so you don't even need to take your phone out of your pocket or bag.

Non-stop vibes

There's nothing worse than your earphones running out of battery right in the middle of your favourite song. With up to 6 hours of playtime on a single charge, these earphones ensure that you can enjoy non-stop music, movies or calls whilst you travel. What's more, when you're running low, simply pop inside the compact charging case for a total of up to 23 hours of playtime!
