Aprašymas

The Logitech Corded Keyboard K280e provides businesses the perfect balance of quality and value. With a reinforced chassis, sturdy tilt legs, and spill-resistant structure, the enterprise-grade K280e keyboard is built for years of heavy office use. The low-profile, nearly-silent keys are designed to withstand up to 10 million keystrokes and are printed with padded printing and a UV coating that prevents the letters and numbers from wearing down over time. A full-size palm rest and smooth-typing key action make this sleek, modern keyboard comfortable for all-day use and a favorite among your workforce as well.

- With a heavy-duty reinforced chassis, keys designed to withstand up to 10 million keystrokes, spill-resistance and high-quality padded key prints with UV coating, the GS-certified Corded Keyboard K280e is designed to take years of heavy office use.
- A full-size, comfortable palm rest and nearly silent, low-profile keys with smooth-action typing provide extra comfort and quiet typing in an elegant design that employees will enjoy.
- Works right out of the box thanks to USB plug-and-play efficiency – no software installation required.
- Full-size keyboard layout with shortcut keys: all computing control tools are intuitively designed for easy reach.
- A LED notification centre visually signals the typing mode – caps, scroll, number lock
