500 Lumen Bright Headlamp

The Nitecore NU30 rechargeable headlamp is the ideal companion for various activities such as camping, hiking, running and more. Its ultra-high efficiency (UHE) LED system and unibody optical lens ensure optimal performance, emitting a bright 500 lumen beam that can reach distances of up to 130 meters.

Three Lighting LEDs

The NU30 offers remarkable versatility with its three lighting outputs: Primary White Light, Reading Light, and Red Light. When using the primary white light, you can access up to three different brightness levels by short-pressing the power button, or activate the ultralow mode by double-pressing the power button. When the light is off, double-press the power button to access the reading light, providing two low-brightness modes. Alternatively, switch to the Red Light by long-

pressing the mode button when the light is off. The red light protects your night vision or is used as a long-lasting signal light with three modes: Low, High, and Slow Flashing. The NU30 also features modes like SOS and Beacon to assist you in any emergency.

USB-C Charging

Weighing only 90 grams, the NU30 is a lightweight headlamp perfect for night running, outdoor adventures, or camping. With a built-in 1500mAh rechargeable battery, it can achieve a maximum runtime of 97 hours on its lowest setting. Use the USB-C charging port to fully charge the NU30 in just 2 hours. A power indicator lets you know when it's time to recharge, and the lockout mode prevents accidental activation. The NU30 is also rated IP66 waterproof and can withstand impacts of up to 1 meter, making it a reliable companion for job sites, everyday tasks, camping, hiking, and more, in any environment.

- Max output of 500 lumens with a 130 meter throw
- Includes white light, auxiliary white light, and auxiliary red light
- Easy one-handed operation
- USB-C Charging for easy charging
