72.99€

ONKRON has manufactured and distributed high-quality mounting solutions for TV screens, computer monitors and displays for over 10 years worldwide. Wall mounting is a classic solution for home and office, big and small businesses, conference rooms, boardrooms, classrooms.

Our extensive product line includes TV wall mount models indispensable for any interior style, elegant or contemporary. Ultra slim design keeps the mount hidden behind the TV, but when needed it can be extended forward, so you can turn your big screen and have the best viewing experience all the time.

An absolutely new full motion TV mount - NP47 combines design, quality, easy installation and affordability without any compromises. It is a new solution designed to fit most 40" – 75 inch 4K HDR, OLED, QLED, 8K, LCD, LED, Full HD flat panel and curved screens, huge gaming monitors and displays with VESA hole patterns including 200x200, 200x300, 200x400, 300x100, 300x200,

300x300, 300x400, 400x200, 400x300, 400x400 mm.

NP47 by ONKRON was tested to support flat and curved screens of practically all modern models of LED, LCD, OLED, QLED TVs on today's market, manufactured by TCL, Toshiba, Samsung, LG, Sony, Vizio, Hisense and many others. It fits screens with max load capacity of up to 35 kg.

It has a very long mounting arm, reaching 707 mm from the wall. Steel construction with high-quality powder coating prevents any bending or wobbling even under the maximum load. The mount is ultra slim when completely folded – only 64 mm so it won't be seen behind the TV. Cable management proven to be very popular design feature - removable plastic plates cover cables and wires for contemporary streamlined look.

Comes with the instructions and all needed hardware – including set of M8*50 bolts, suitable for Samsung TVs and usually not found in standard mounting kits. ONKRON NP47 mount provides secure support for large screens with swivel, tilt and wide range of easy motions. Classical black color of NP47 mount is a true winner for a viewer who appreciates style, quality and value.

ONKRON - Trusted design - excellent support.

Universal VESA mount with various mounting patterns

The mount supports televisions with diagonal sizes from 40" up to 75 inches. Fits practically all modern TV screens - LCD, LED, OLED, Ultra HD, plasma, curved & flat panels.

NP47 can be used with VESA-compatible TVs having the following mounting patterns: 200x200, 200x300, 200x400, 300x100, 300x200, 300x300, 300x400, 400x200, 400x300, 400x400 mm.

Diagonal of the screen has an approximate value. Your TV must meet requirements of VESA and weight.

Long mounting arm for bigger TVs

NP47 has a very long mounting arm, reaching 27.9" (709 mm) from the wall, when fully extended. Due to that feature you can turn bigger screens and have the most comfortable viewing angels from every corner of your room.

Ultra slim profile allows folding it up to 2.5" (63.5 mm) from the wall, making the mount invisible behind the TV.

Cable management

Contemporary design features cable management – plastic plates cover cables and wires for a clean and organized look. No more annoying cables in your sight!

Reliable SPCC frame

Reinforced steel construction provides maximum load capacity of 35 kg, which is more than enough for modern TVs that are becoming increasingly lighter.

Fully adjustable bracket

Besides a huge length of the arm, this model also features screen tilting -5° ~ +8° and 180° swiveling! Forget about glares on the screen!

Easy assembly and setup

Easy to assemble or disassemble. Comes with detailed instructions and all needed hardware – including set of M8*50 bolts, suitable for Samsung TVs and usually not found in standard mounting kits.
